

/home/stud/Загрузки  
/TiMP/TiMP\_K/headers/Errors.h

```
graph TD; A["/home/stud/Загрузки  
/TiMP/TiMP_K/headers/Errors.h"] --> B[stdexcept]; A --> C[string]; A --> D[system_error];
```

The diagram illustrates a file path at the top, which then branches into three arrows pointing to three separate header names below it.

stdexcept

string

system\_error
